

# VINCENT DIALA

INFORMATION TECHNOLOGY GRADUATE

- 916-666-7143 | vincentdiala14@gmail.com | Victoria Park Residence, Las Piñas City

## PROFILE

A dedicated and motivated BS Information Technology graduate (July 2025) with practical and foundational experience in system development, web applications, and IoT-based projects. Skilled in programming languages such as PHP and Python and with a strong focus on building efficient and user-friendly solutions. Gained valuable hands-on experience through academic projects and internship training, contributing to improve operational workflows. Holds multiple certifications in networking, cloud computing, and software development. Eager to apply and grow skills in technical roles, particularly in web development, IT support, and pre-sales solutions.

## EDUCATION

2021 – 2025

San Beda College  
Alabang

### Bachelor of Science in Information Technology (2021 – 2025)

- Honors and Awards: 2021 – 2024 Deans Lister

## WORK EXPERIENCE

FEB 2025 – JUN 2025

UPPER LIMIT INSURANCE  
AGENCY

### WEB DEVELOPER INTERN (2025)

- Developed a Formal Quotation System for car insurance with detailed cost and coverage breakdowns, improving employee workflow

- Developed a Comprehensive Web-Based Dental Clinic Management System for Ruth Aranez Dental Clinic, aimed at enhancing the efficiency and accuracy of clinic operations
- The system implemented appointment scheduling, patient record management, inventory control, and financial transactions

### IoT Smart Energy Meter

- Developed an IoT system to monitor and log electricity usage
- Used Python and sensor modules to transmit data to a mobile interface
- Focused on accuracy, logging, and user accessibility

## SKILLS

- |              |           |                       |
|--------------|-----------|-----------------------|
| • Python     | • CSS3    | • Microsoft 365       |
| • Javascript | • SQL     | • Cisco Packet Tracer |
| • Java       | • MongoDB | • DNS                 |
| • PHP        | • Git     | • Canva               |
| • HTML5      | • Azure   | • Figma               |

# CERTIFICATIONS

---

## CISCO

- CCNA: Introduction to Networks
- CCNA: Switching, Routing, and Wireless Essentials
- CCNA: Enterprise Networking, Security, and Automation
- Introduction to IoT

## CERTIPOINT – IT SPECIALIST

- Software Development Certification
- Networking
- HTML and CSS
- Network Security
- JavaScript
- HTML5 Application Development
- Computational Thinking
- Application Developer

## MICROSOFT

- Azure Fundamentals
- Azure AI Fundamentals
- Microsoft 365 Fundamentals
- Security, Compliance, and Identity Fundamentals
- Power Platform Fundamentals IT Specialist
- Dynamics 365 Fundamentals (ERP)
- Dynamics 365 Fundamentals (CRM)
- Azure Data Fundamentals

## CompTIA

- IT Fundamentals+ (ITF+)
